Re: February 2013 Monthly Report (Jan. 1-31, 2013)
Response Due Date: August 15, 2013

Dear Ms. Broomhead:

Your July 11 letter incorrectly states that Jeff Anderson for Minnesota (JA for MN) had insufficient debts to warrant the LIUNA PAC contribution of \$5,000 on January 8, 2013 for 2012 primary debt retirement. In fact, the JA for MN 2012 Year-End Report itemized \$29,153.51 of debts and obligations, and reported \$5,979.89 in cash on hand. And, the JA for MN April 2013 Quarterly Report itemized \$20,780.01 of debts and obligations, and reported \$4.55 in cash on hand. JA for MN specifically solicited LIUNA PAC for a contribution toward debt retirement, and LIUNA PAC lawfully contributed and reported its contribution.

We do not understand why we received this letter in light of the clear public record on file with the Commission.

Sincerely,

Armand E. Sabitoni
Treasurer
